YOU CAN
DO MORE!**

PROTECTION & PREVENTION AGAINST COLD & FLU VIRUSES

- Developed specifically for people who want a physical protective barrier where cold and flu viruses take hold and start to develop
- Coats the mucosa (lining) of the nose & throat
- When workplace downtime is not an option

Adults and
Children 5yrs+

Natural Active
Ingredients

Non-prescription

Non- GMO

PROTECTS YOU WHEN YOU MAY BE EXPOSED TO VIRUSES

Use Cold & Flu Guard™ spray the moment you feel a cold coming on or before high-risk activities like:

Shopping for groceries,
or in stores

Taking public transit

Studying at school
or at a public library

Spending time in meetings
or in a workplace with others

At first sign of cold
or flu-like symptoms

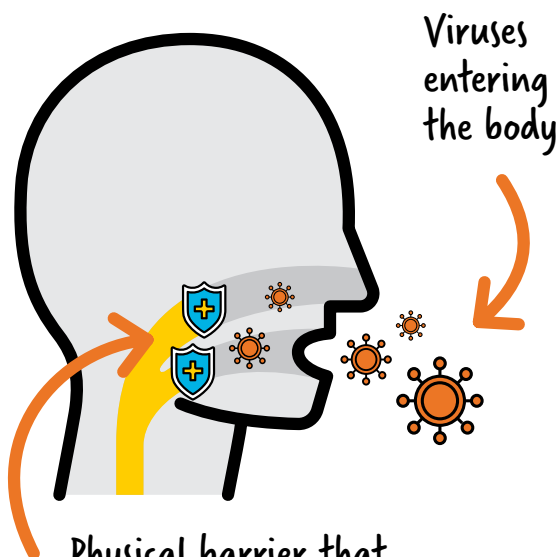

For quick relief from viruses

CREATE A BARRIER WHERE VIRUSES ENTER THE BODY

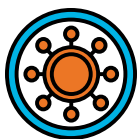

Nose and mouth are the two most common entry points for respiratory viruses.

Cold & Flu Guard™ creates a barrier that traps and isolates viruses at these entry points.

Viruses
entering
the body

Physical barrier that
TRAPS Viruses & Bacteria -
to be naturally neutralized
and removed

Barrier

**THE DUAL EFFECT OF GLYCERINE &
HIGH MOLECULAR WEIGHT
HYALURONIC ACID (HYALURONATE)**

Glycerine

- A demulcent (derived from the Latin: demulcere "caress") is an agent that forms a soothing film over a mucous membrane, in this case your mouth and throat.

High Molecular Weight Hyaluronic Acid

- Naturally occurring polymer

Neutralize & Remove

COLD & FLU GUARD™

Viruses & bacteria are naturally neutralized and removed before developing into full blown illness.

DOSAGE

Adults and children 5 years of age and older:

1 Shake well before each use.

2 Apply **1-2 sprays** per **nostril** (avoiding deep aspiration).

3 Repeat **1-2 sprays** in the **mouth**.

4 Use **2-3 times** per day.

SAFETY AND SPECIFICATIONS

Drug Interactions

None.

Contraindication

Allergy or hypersensitivity to components or ingredients.

Warnings
